How did you hear about our school? _____

Please list other caretakers who will regularly bring your child to classes:

Please describe history of any orthopedic problems, chronic medical problems, or learning or behavioral problems below:

SCHOOL POLICIES:

Dress, Grooming and Classroom Behavior

Female students are expected to wear pink tights, black leotards, and pink leather ballet slippers. Male students should wear black pants or tights, black or white t-shirts, and black ballet slippers. Long hair should be secured in a bun, and shorter hair in a ponytail so that the neck may be visible and the hair does not fly in the face while turning. Students should not wear loose jewelry during class that will distract the student during movement. Students should not wear skirts or warm-ups that hide the body so that teachers cannot see if the student is using proper technique. Students should come to class on time. The exercises that are given at the beginning of every ballet class are very important for warming up the muscles to prevent injury and to develop the proper elasticity of the muscles for good jumping. Students must listen to the teacher, follow the teacher's direction, and not engage in play during class time. Students who arrive to class late or are disruptive in the classroom may not be allowed to take class at the teacher's discretion.

Attendance

Ballet Ariel offers an academic ballet program that prepares students to dance on pointe and the challenges of advanced ballet choreography. Students are required to enroll in the complete curriculum for their level of study. As much as possible, rehearsals for the Nutcracker and annual recital are held during regular classes. Students should have good attendance in their classes to dance in performances and participate in competitions. Students should notify their teacher and rehearsal director if they are going to miss any rehearsals, and students who miss more than two rehearsals may not be allowed to dance in performances.

Tuition

Tuition is due within 10 days after the beginning of each session. Please give your tuition to the teachers or directors. Tuition for the current session is non-refundable if students leave mid-session.

Copyright

All original ballets choreographed by our staff are copyrighted, and we do not allow private video or photography of our performances. You also must request permission to publish video or photography of Ballet Ariel performances to the public.

Parking

Parking is available behind the studio. Please do not park in the two spaces at the far end behind the hair salon. Also note that the spaces behind other cars are for drop off only. Please do not park behind another car without notifying the driver of the other car.

Studio Traffic

There is no hallway between the front and back of the studio. Please do not walk in the big studio in street shoes as this can damage the floor for pointe work. If you need to go

through the big studio, please take off your shoes. You can walk through the small studio and can also walk around on the outside of the building.

Injury Waiver

Ballet is an athletic pursuit and there is risk of injuries such as tendon sprains and muscle strains. Injuries such as chronic tendonitis and bone fractures may occur. Dancers are responsible for their own and other dancers safety and are expected to follow basic rules of safety in the classroom and in the theatre.

Signature _____

Photography

We have many opportunities to use photography or film to promote the art of ballet. Please indicate whether we may use photographs or film of your child for publication or public viewing.

Yes, you may use photographs or film of my child _____
